

①

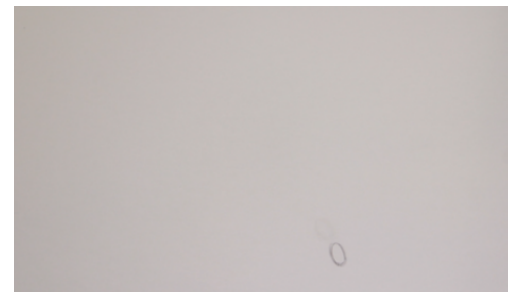

In the first one, I made a movement of my eraser. It jumps up and falls down and then melts.

②

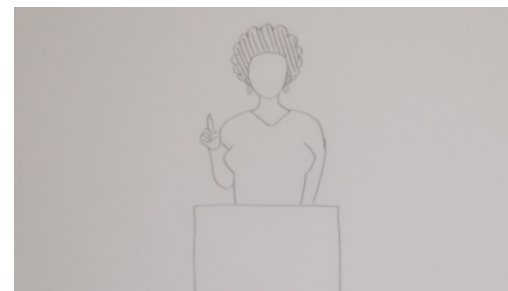

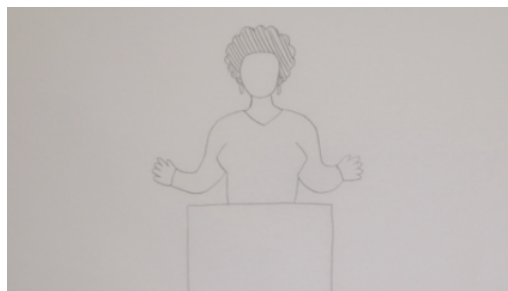

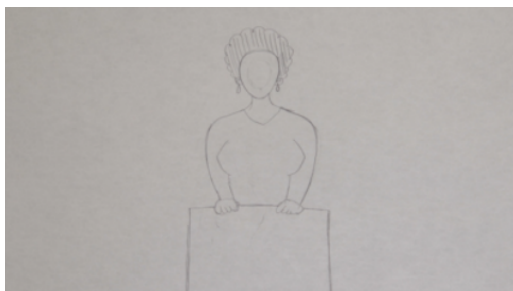

In the second one, I made three different facial expression.

③

In the third one, I made bouncing of a ball, and I felt it difficult to make consistency of the size of the ball and timing.

④

In the last one, I made three different gestures, and I found it interesting to make it like pursuing something.
